To

Enclosure 1.

The Chief Engineer
for Irrigation
Madras.

Sir,

I have the honor to annex a statement of the floating Tools and plant of this Division and to request that I may be allowed to write off the whole except.

3. Steam launches (2 to go to Madras)
4. Steel punts;
2. 60' punts (both to go to Madras)
2. Jolly boats
3 dugouts.

With the exception of the outrigged boat, one locally made jolly boat, and one dugout

dugout, which I have sold, all those that I propose to write off are wooden vessels in the last stage of decay which it would be quite useless to think of transferring elsewhere, or of maintaining on the lake when they are not wanted and there is no staff of Carpenters to maintain them.

I have the honor to be
Sir,
Your most obdt. servt.

S. D. Pean

Superintendent of Works
